

Building Project Update

Gala: November 21, 2014

Final Phase Nearly Complete!

I am happy to inform you that the Final Phase of the school expansion is nearly complete and students will use the facility by Spring, 2015!

The entire school community, including our local parishes, feeder schools, the Archdiocese, alumni, faculty and parents have been very supportive of the school's completion, and many parents are participating in the voluntary Capital Assessment Campaign.

We still have a way to go to raise all the funds required for this last phase of construction, and therefore we would like to remind alumni of the available Brick Program started in 2003. It is thanks to the support from people like you that Notre Dame is able to

finally complete this endeavor. Please keep in mind that contributions are tax receiptable, and information is included in this newsletter.

Like you, we are very Proud of our Past. Now we are asking you to help Build Our Future.

Building Update

We are proud of the current status of our building project. All rooms are framed, interior wall installations are taking place, and we have a sealed roof. The gym and auditorium connections are finally complete! We await the final components to the shell of the building as we begin installation of the windows on the west wall.

Feedback by those who toured during Homecoming and the Fine Arts meetings were positive, and we invite anyone who would like a tour of your new building to please contact Mr. Dardano at jdardano@ndrs.org!

Golf Tournament

On September 19th Notre Dame held its annual Golf Tournament at Westwood Plateau Golf & Country Club. Once again we would like to thank our volunteers, our sponsors and the faculty for making this event a success. Hole Sponsorship, silent Auction, live Auction and of course golfers helped us in raising over \$15,000.00 All funds raised from the tournament will go towards construction of the final phase of the school. Many thanks to all who participated!

Obituary

Gary Gibson (class of 1971) passed away recently. Our condolences go out to his family. May he rest in peace.

1989 Reunion

Notre Dame Grads of '89 got together at the Mountain Shadow Pub for their 25 year reunion. It was a great turnout, with more numbers than anyone expected. It was good see everyone after 5 years, to hear stories of some classmates' children graduating from high school, while others were telling stories of holding newborns in their arms. Some just got married and others were rediscovering themselves and moving onto brighter and better things. Catching up on news, building business relationships and getting reacquainted were all part of the fun. We are a close-knit group and whenever we see each other it feels like no time has passed. Social media keeps us together and a pact to keep regrouping after 5 years. We are an ageless group, like fine wine we just get better as the years go by. Forever ND Grads of '89!

Thank you very much for hosting a most memorable retirement evening. It was very thoughtful of you. Thank you also for the card and monetary gift. It is much appreciated. As a teacher, I find it always a pleasure to meet former grads but the retirement evening provided a much greater opportunity to reminisce the past. All the best to everyone, and I look forward to meeting grads at future ND events.
