DP-2018-00128

March 11, 2019

KBMR Architects have applied to the City of Vancouver for permission to develop this site with a new all-weather playing field. The proposal includes the following:

- A new artificial turf playing surface;
- New bleachers and viewing platform;
- New retaining walls; and
- Reconfiguration of the parking and loading.

Under the site's existing RS-1 zoning, the application is "conditional", so it may be permitted; however, it requires the decision of the Director of Planning.
